

## Iker Alberdi, new CEO of ONNERA Group

- **Alberdi has been fulfilling positions of responsibility in the business group for more than 15 years.**
- **With this appointment, ONNERA Group continues its plans for global growth and expansion.**

**Madrid, 7 June 2017.** – The governing council of Fagor Industrial S.Coop has appointed Iker Alberdi as new Managing Director of ONNERA Group, an international business group dedicated to supplying equipment solutions for the restaurant trade, laundry and refrigeration applications.

Alberdi has a wide experience of the sector and has been fulfilling positions of responsibility in the group for more than 15 years. He arrived at Fagor Industrial as Head of Manufacturing in 2002, later to be appointed Head of the Cooking Unit. In addition, he took on the general management of Endesa Horeca in Poland and later led the Management of the brands Asber and Edenox for Europe and Asia, until becoming manager of Fagor Industrial in March 2015, a position he has held until now.

With this appointment, ONNERA Group strengthens its position as leader in the sector and continues its plans for growth and expansion all over the world. In his new position, Alberdi will take charge of the coordination of the ONNERA Group project, taking over from José Luis Lizarbe.

*“We are certain that Iker will be an excellent manager of the ONNERA Group project as he has an impeccable track record of success, both in the national and international arena,”* states Mikel del Río, President of the Governing Council of Fagor Industrial S.Coop. *“We are proud to have a professional of the standing of Alberdi lead the activities of our group and we are certain that we will continue to enjoy new successes in the future,”* concludes del Río.

### About ONNERA Group
